Development & Peace is very pleased to inform parishioners that their local federal M.P Jennifer O'Connell presented in the House of Commons, before Christmas, the petition which was signed by over 200 parishioners, The petition called for the Federal Government to bring forward human rights and due diligence legislation to make Canadian companies accountable when operating abroad. She also presented a petition calling for the protection of heritage seeds of Indigenous farmers in the Global South. Thanks are expressed to Ms. O'Connell and her staff for ensuring that the concerns raised by parishioners on these social justice issues have been brought to the attention of our Federal Government.
