WHAT IS PALLIATIVE CARE?

Palliative care is the Catholic response to end-of life care. It affirms that every human life is sacred despite any illness. It is compassionate both towards individuals and their families. Christ taught us that life has value, even in the midst of severe illness and poverty. Palliative care respects the value of life and seeks to provide comfort and care as illness progresses. If you are in search of locating hospice palliative care resources and services in your community, call the HopeLine at 416-619-5700. See Frank Cardinal Leo's letter posted on the bulletin board in church foyer. Or visit www.archtoronto.org/HopeLine

TREE LIGHTS BAZAAR

"For I know well the plans I have in mind for you, says the LORD, plans for your welfare, not for woe! Plans to give you a future full of HOPE." Jeremiah 29:11

This verse reassures us that there is a divine plan for our lives, and it is one filled with hope and prosperity. It encourages us to trust in God's unfolding purpose for our journey.
